

The Vision, Mission and Objective Development Process

Example – UbuntuNet Alliance in Africa

The Vision, Mission and Objective Development Process

- Evolution

- Example – UbuntuNet Alliance

- Started in 08.2006 at the UA Board Meeting in Kigali
 - Felt UA should have well defined vision, mission, objectives and plan of action to streamline its activities
 - A retreat in Zomba in 10.2006
 - UA Strategic plan 2007-2010
 - Meeting in Dar es Salaam in 2008
 - Rolling Strategic Plan (RSP) 2009-2013

Vision - vivid description of the organization as it effectively carries out its operations

NORDUnet (2009-2012)	<p>NORDIC Infrastructure for Research and Education</p> <p>NORDUnet shall provide a common world-class network infrastructure, services, support and collaboration platform for the Nordic NRENs and research and education community. NORDUnet shall likewise facilitate other common eInfrastructure as requested by the Nordic national eInfrastructure stakeholders.</p>
UbuntuNet Alliance (2009-2012)	<p>The strong and viable African regional research and education network (RREN) of choice, which promotes ICT access and usage among national RRENs</p>

Mission – Purpose of the Network

- Consider the organization's products, services, markets, values, and concern for public image and prioritize

Research Network	Mission
