

Institutional Image

- Identity for institution
- Represent constituency and operations of the Regional Research and Education Network
- Building confidence in the network
- Marketing tool to sell and to mobilize resources for the organization

Institutional Image with some evolution

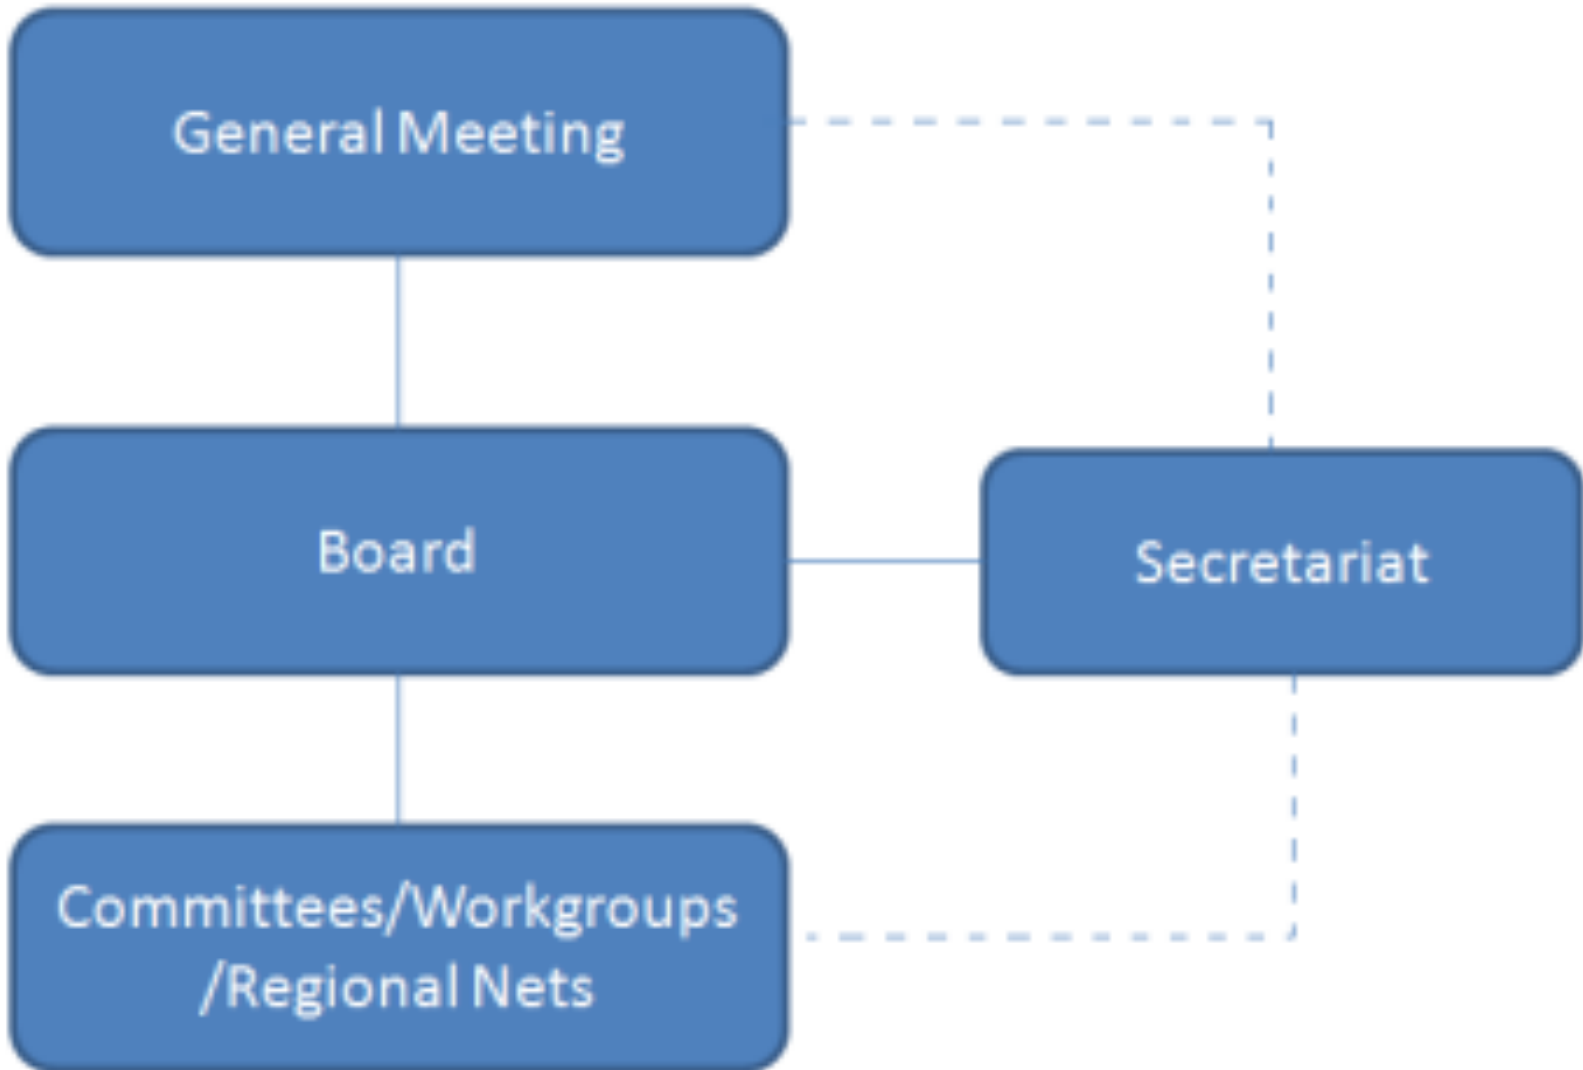

Asia-Pacific Advanced Network

Components of Governance Framework

- Overall similar trend in governance
- RRENs are member institutions and governed by members
- Organizations that support RREN should be lean in terms of staffing and hierarchy.
- Governance component
 - Membership
 - Members Assembly
 - Board of Directors
 - Technical Committees (Working Groups)
 - Secretariat and Staff

Typical Governance Framework

Governance Framework should not necessarily be hierarchical
